## Experience

### Graphic Design Internship

2020

True Creative: Design & Marketing Agency

Practiced sketching and concept development, presentation of a logo to a client, and an introduction to web design. I worked with Adobe Illustrator CC 2020, Wordpress, Divibuilder, and GoDaddy.

### Student Creative Director, Print Publication Designer

2020

Ke'lab Magazine Spring 2020

Worked with the team of Graphic Design students, making sure they knew their tasks and helped complete them when needed. Also assisted in print publication layout using Adobe InDesign.

### Graphic Design Internship

2018

Cayuga Radio Group

Worked in Adobe Photoshop CC 2017 to create posters and website banners to promote events, giveaways, and brands.

### Graphic Design Internship

2017

Cornell Lab of Ornithology

Worked in Adobe Illustrator CC 2017 optimizing bird silhouettes for the All About Birds website.
